

# Learning Intention

I am learning to  
activate knowledge or  
get my thoughts ready  
for reading.

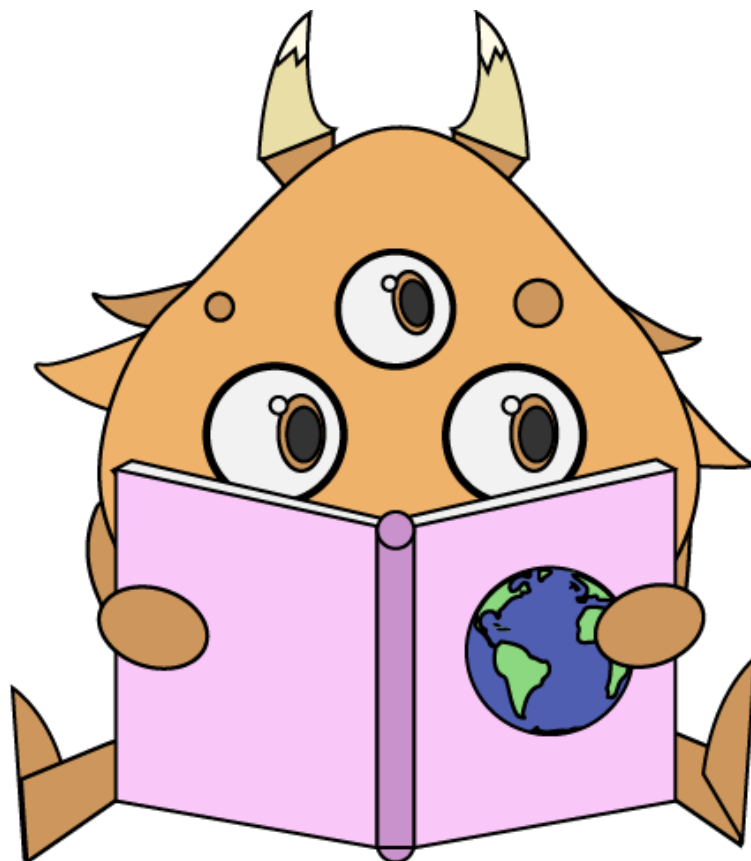

# Success Criteria

I will think, “What do I already know about this?” I will share my ideas.

# Activating Knowledge

I warm up before reading by remembering what I already know about the idea I will be reading about. This makes it easier to understand new ideas.

# Learning Checklist

Check these off as you go.
