

# Learning Intention

I am learning to notice good things and bad things that happen in stories.

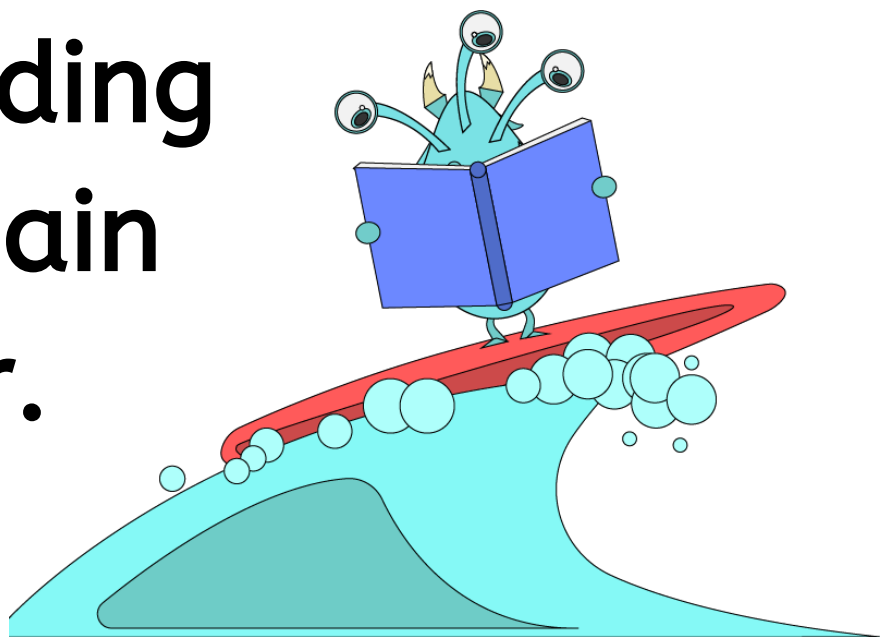

# Success Criteria

I will find good things and bad things that happen to the star of the story. I will share my answers with the group.

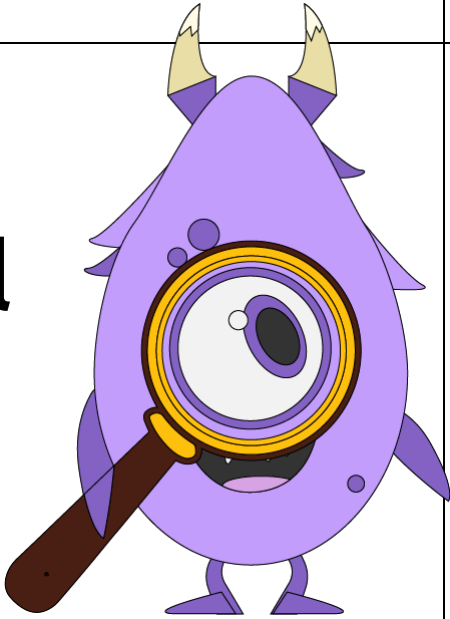

# Problem and Solution

In most stories good things and bad things happen to the stars of the story. This makes the story interesting and exciting. As the story continues, or keeps going, it usually ends with a happy ending for the main character.

# Learning Checklist

Check these off as you go.

Did I:	✓
find some good and bad things happening?	
understand why the bad things happened?	
guess the happy ending?
