

Learning Intention

I am learning to say sentences about cause and effect.

Success Criteria

I will make sentences about cause and effect by using these helper words:

makes

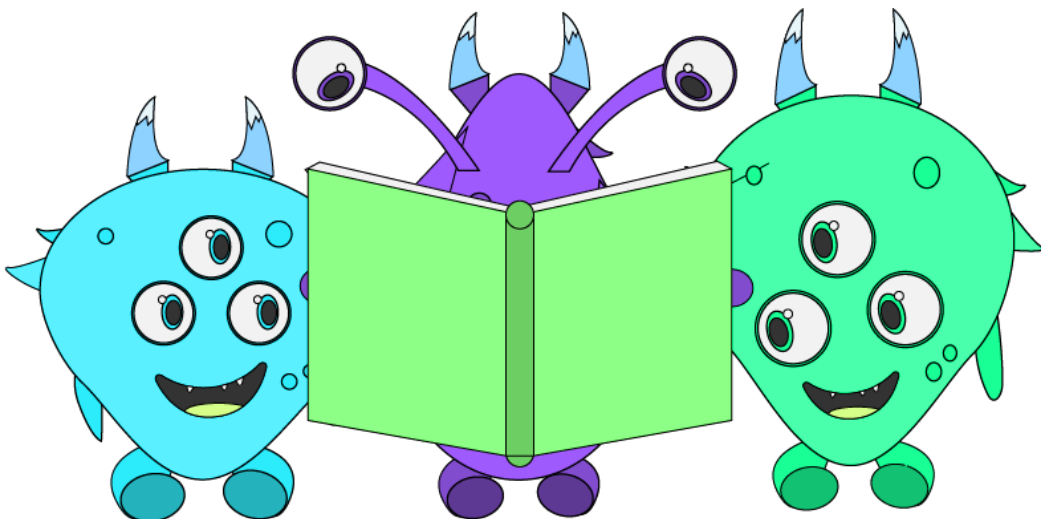

making

causes

causing

because

effect

Cause and Effect

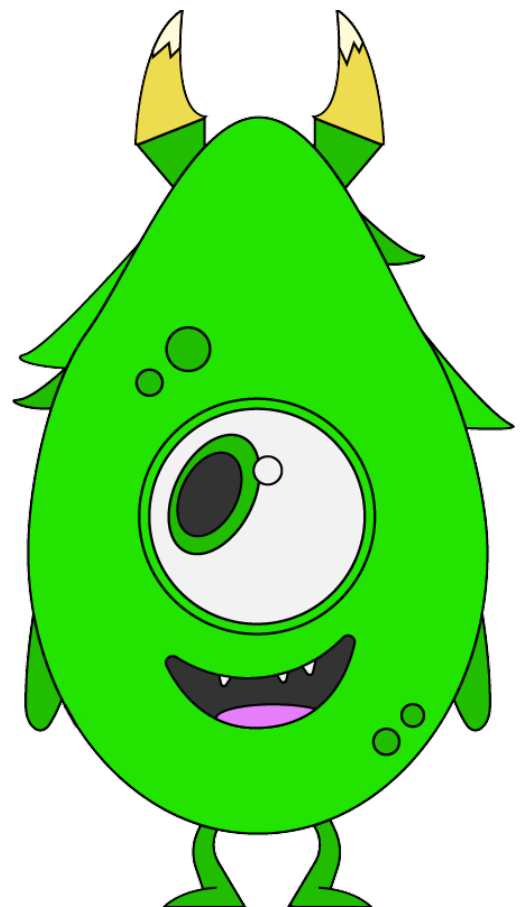

When one thing causes another thing to happen, it is called Cause and Effect.

The effect is the thing that happens. The cause is what made it happen.

Cause and effect helps us to know two things:

What happened?

Why it happened?

Learning Checklist

Whisper to a partner.

Check these off as you go.

Use these starters:	✓
The rain makes ...	
I feel happy because...	
The wind caused ...
