# Learning Intention

I am learning to notice how characters are the similar and different.

Success Criteria

I will look at two characters and talk about how they are similar and different. I will use helper words to put my ideas in sentences:
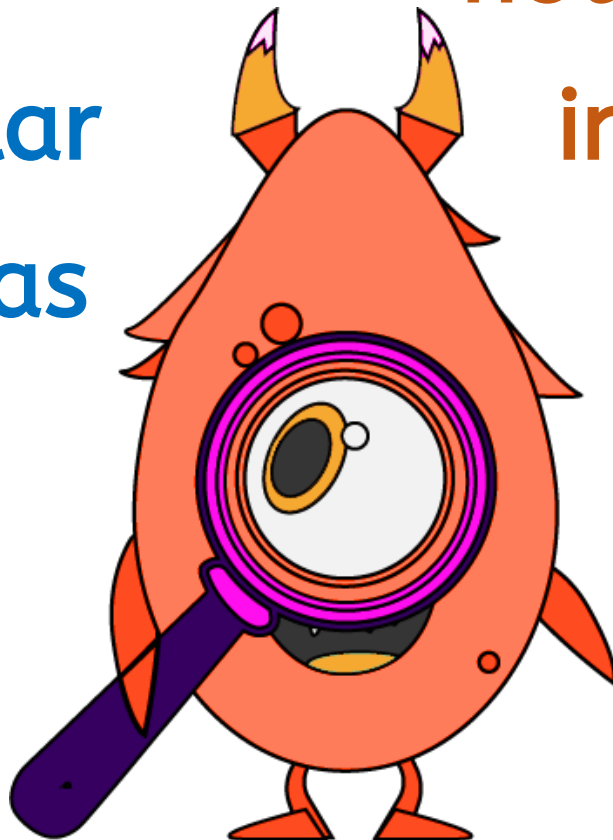

same

different

both

not the same

similar

instead

just as

but

Compare and Contrast

Comparing means to notice how two or more things are the <u>same and different</u>.

Contrasting means to notice only how they are <u>different</u>.

Learning Checklist

You have 5 seconds to whisper an idea for each one. Check them off as you go.
