

# Learning Intention

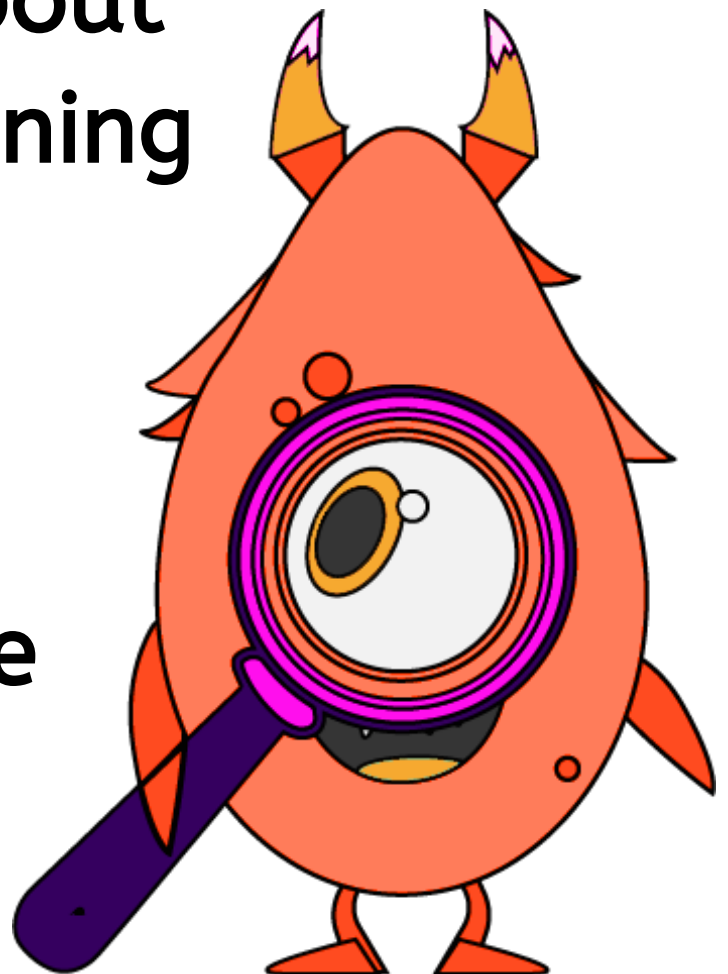

I am learning to infer  
or figure out more  
than I am shown in a  
picture.

# Success Criteria

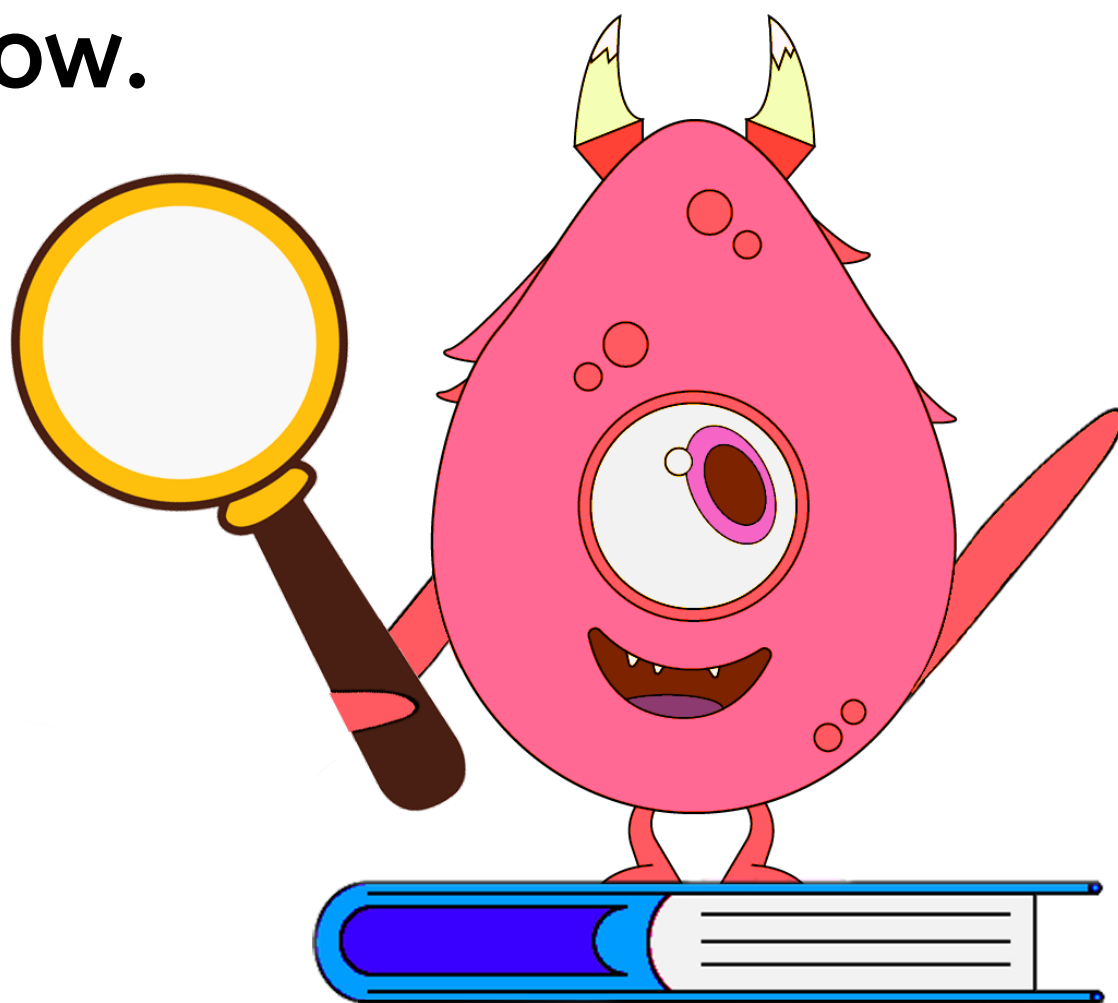

I will notice details in the pictures. I will listen and learn about how to use the clues to work out more than I am shown. I will share some ideas about what is happening in the picture.

I will ask myself,  
“Is there a clue to match that idea?”

# Inferring

Inferring means to figure something out without being told. Great readers infer by looking for clues in the words and pictures and connecting these with what they already know.

# Learning Checklist

Check these off as you go.

Chat about these:	✓
What does it mean to infer?	
Where can you look for clues?
