

Learning Intention

I am learning to
predict or make smart
guesses about what I
am reading or
viewing.

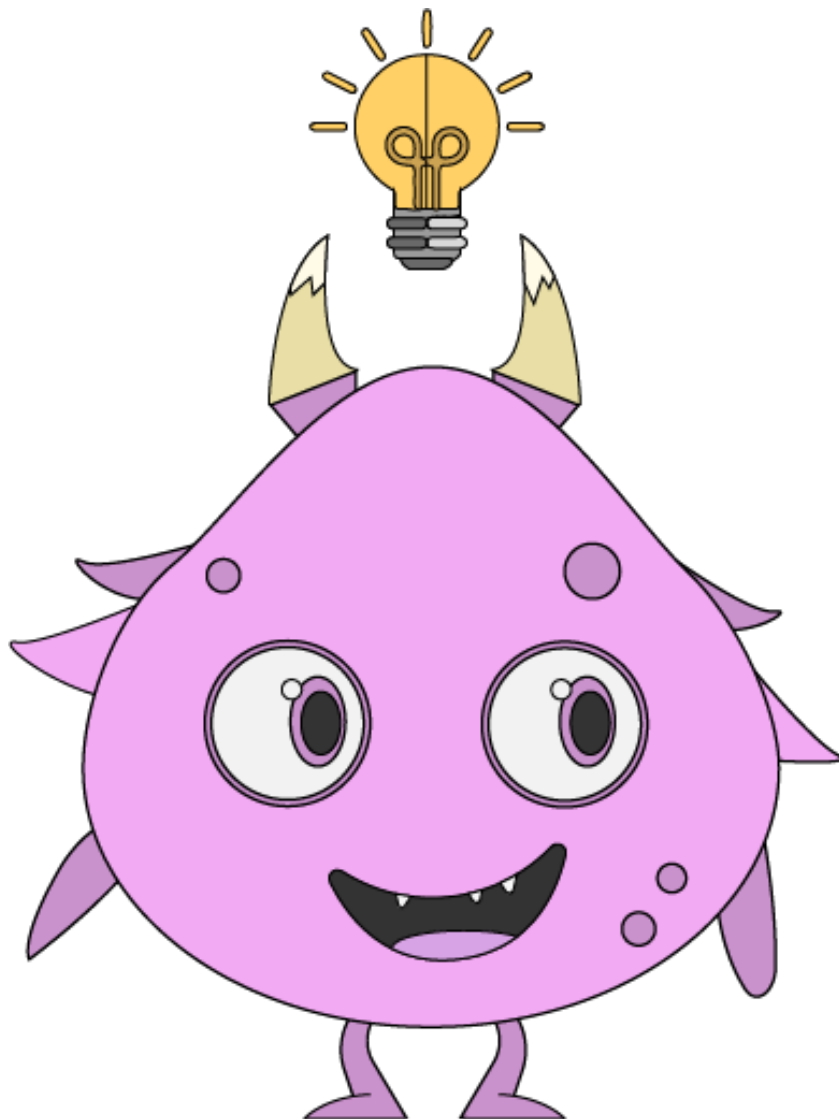

Success Criteria

I will look at the picture and share what I think happened before and after the picture was taken.

Predicting

When I predict I use the clues I can see to make a smart guess about what might happen.

Learning Checklist

Check these off as you go.

Did I:	✓
think, “What can I see happening?”	
predict what just happened?	
predict what might happen next?	
raise my hand to share ideas?
