

Learning Intention

I am learning how to understand some idioms, or sayings about body parts. A saying is a group of words which has a special meaning when used together.

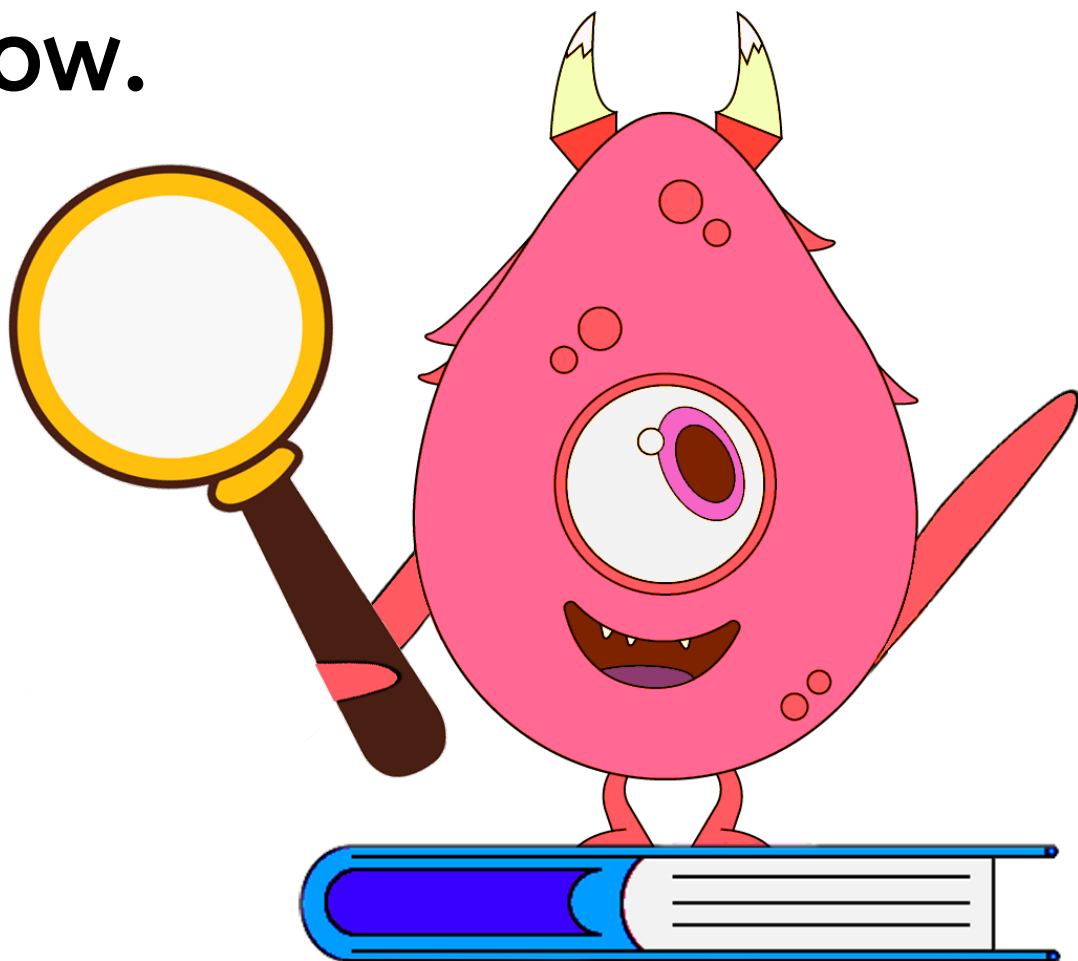

Success Criteria

I will learn some funny idioms, or sayings. I will show I understand the saying by showing it with my body or saying it aloud.

Inferring

Inferring means to figure something out without being told. Great readers infer by looking for clues in the words and pictures and connecting these with what they already know.
