

# Learning Intention

I am learning to use clues to predict or make smart guesses about what a story might be about.

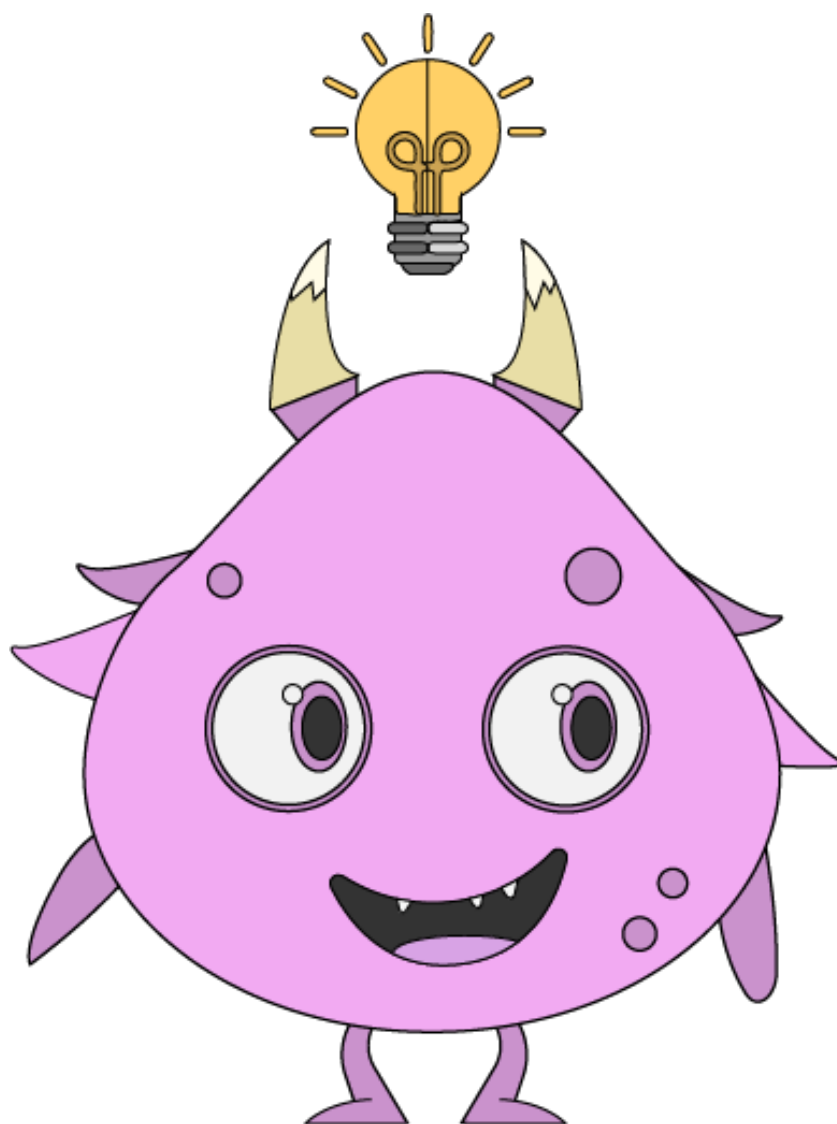

# Success Criteria

I will use clues on the front and back cover and inside the book to make and share some predictions.

# Predicting

When I predict I use the clues I can see to make a smart guess about the book.

# Learning Checklist:

Did I:	✓
find clues in the title?	
find clues in the illustration?	
find clues in any other places?	
raise my hand to share clever predictions?
