

Learning Intention

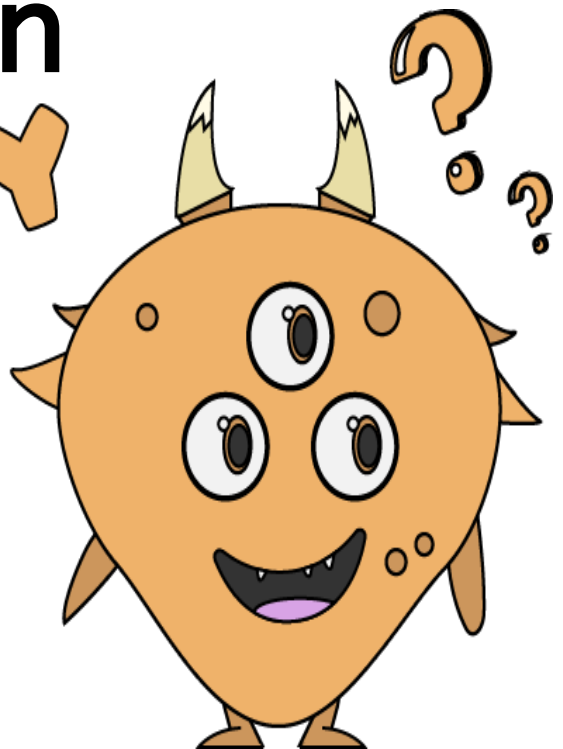

I am learning to
predict or make smart
guesses about what
might have happened
in a story.

Success Criteria

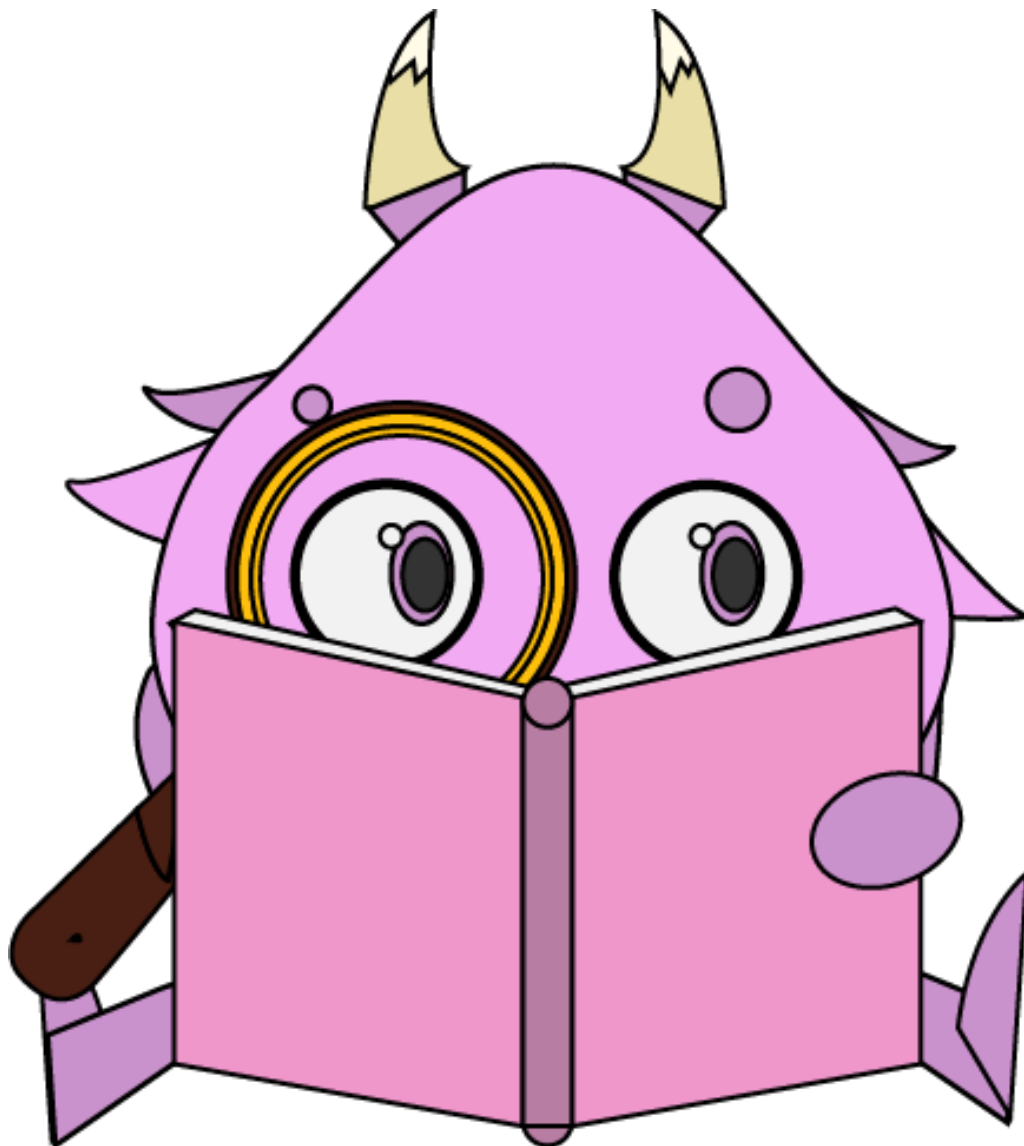

I will listen to the beginning and end of a story and predict what I think might have happened in the middle. I will say why my prediction makes sense.

WHY

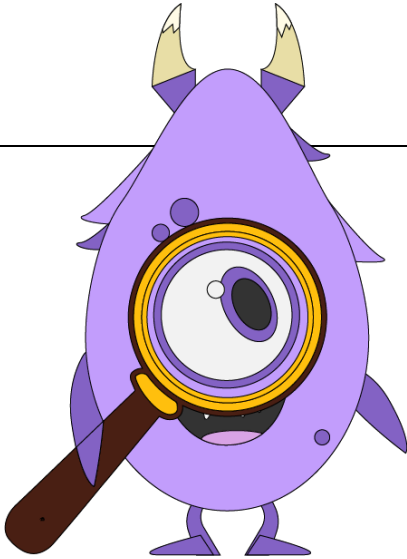

Predicting

When I predict I use clues I can see to make a smart guess about what might happen.

Learning Checklist

Check these off as you go.

Did I:	✓
make a prediction?	
say why the prediction makes sense?	
use clues in the story to guess the missing part?	
listen to others?
