# Learning Intention

I am learning to predict or make smart guesses by using my knowledge of other stories.
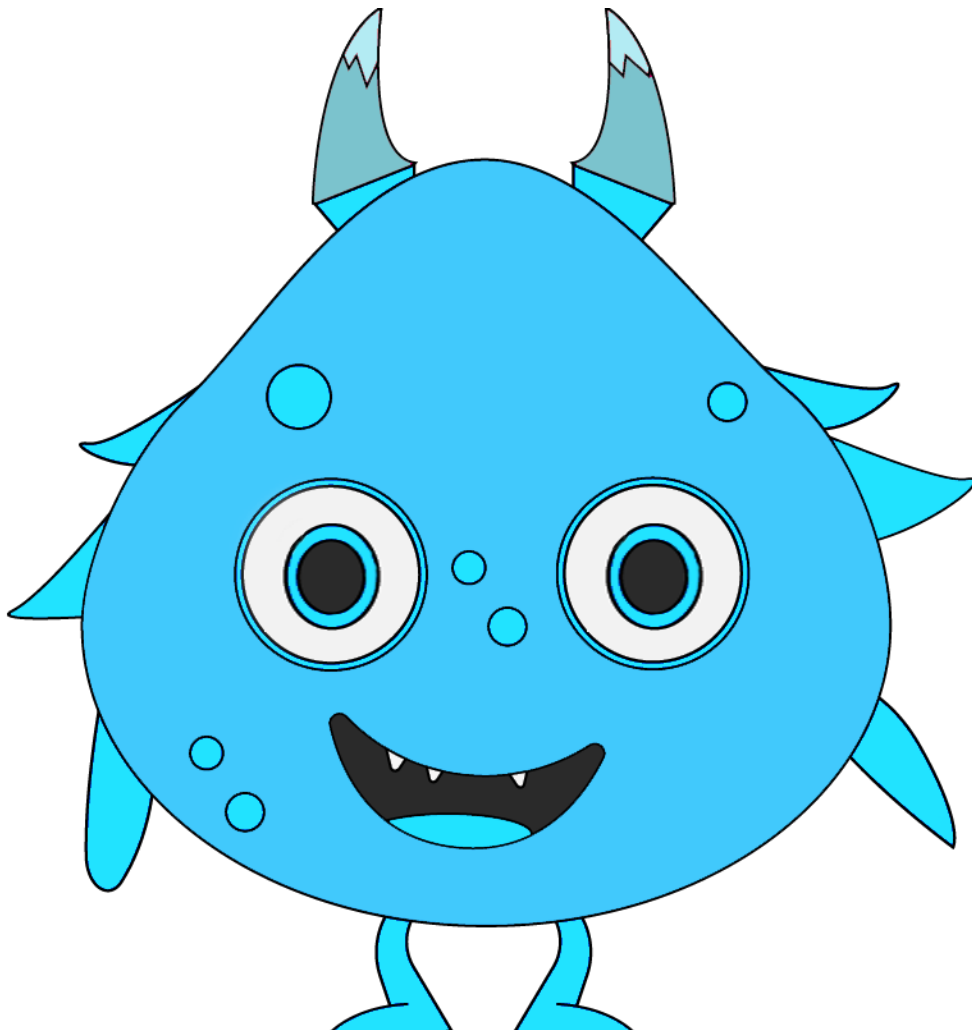

# Success Criteria

I will predict what might happen in this story and how the characters might act.

# <u>Predicting</u>

When I predict I use what I know about other stories to help me think about what might happen in the story I am reading.

# Learning Checklist

Check these off as you go.

| Did I: | ✔ |
|---|---|
| make predictions about the story and characters? | |
| make connections to another story to help me to predict? | |
| listen to the ideas of others? | |
